Lifestyle and Concierge

CIS-Arab investment summit is the first class conference devoted to the investment development of the CIS and MENA regions. Summit attracts more than 400 top management from all sectors of economics that are interested in investing.

With more than 400 participants, 2 intense working days including a top master class, and incredibly effective networking opportunities, it is the only first-class level event devoted to the development of the investment sector in the CIS and Middle East countries.

The VIP Gala-Dinner, reception and focused business meetings attended by more than 400 of the world senior investment executives provide an excellent opportunity to establish business contacts and discuss the latest developments within the international investment industry.

KEY GOALS OF THE SUMMIT:

- Attracting Investments
- The International Financing
- Maximizing Profits and Mitigating Risks of Investment Projects

5 REASONS TO ATTEND THE SUMMIT:

- Meetings with the Governments' leaders & investors of Middle East
- Attracting investments into your business
- Setting up collaboration with Arab top-management
- Advertisement of your company
- Finding new opportunities for business development
