

Market Update

Equity

Local Ukrainian blue chips finished nearly flat on Thursday (Nov 7) in a second straight day of only minimal activity, with the UX index closing unchanged at 872 points. Externally, the “bad news is good news” story in the US was turned on its head by upbeat data showing the US economy expanded at an annualized 2.8% in 3Q, frightening traders into thinking that a reduction in Federal Reserve monetary stimulus could come as soon as next month. As a result, the S&P 500 sold off by 1.3%, representing one of the benchmark’s worst daily performances of 2013. In Kyiv, the only top name to see a notable change in pricing was Raiffeisen Aval, which added 1.5% to 10.50 kopecks. Outside the UX basket, Krukiv Wagon dropped 1.8% after announcing poor output figures for October. In Warsaw, Kernel and KSG Agro declined by 3.1% and 1.2% respectively, with the former ending at PLN 42.25, while the major London names were little-changed.

Fixed Income

Ukrainian sovereigns slid on Thursday with Ukraine-23s declining by 1.1 p.p. to 86.2/87.3 (9.8%/9.6%). Corporate names also finished sluggish. Ukrlandfarming-18s decreased by 0.2p.p. to 92.1/93.7 (13.3%/12.8%) while MHP-15s inched up by 0.1p.p. to 101.7/102.4 (9.4%/8.9%).

Krukiv Wagon Had No Freight Car Output in October

by Dmitry Churin
d.churin@eavex.com.ua

KRUKIV WAGON (KVBZ UK)

Price: UAH 17,2 Market Cap: USD 241mn

	EV/S	P/E	EV/EBITDA	Div. Yield
2012	0.3	2.5	1.8	19.8%
2013E	0.5	6.4	3.5	7.9%

NEWS

Kremenchuk-based railcar manufacturer Krukiv Wagon did not produce any freight railcars in October, Interfax reported on Thursday (Nov 7), citing a source in the company. Total year-to-date (through Oct 31) freight car output at Krukiv is at 5,260 units (-43.6% YoY). The company's passenger railcar production is up by 19% YoY to 68 units year-to-date, with 6 passenger cars produced in October.

COMMENTARY

The zero freight car output for Krukiv in October looks rather stunning even given the previously known difficulties that the company has been facing on its key market, Russia, this year. Russian regulatory authorities several times accused the company of using substandard-quality casting. We assume that these moves were initiated by Krukiv's Russian competitors to squeeze Ukrainian producers out of the Russian freight car market, which is not growing fast enough to absorb the new capacities that came on line in recent years. Nevertheless, Krukiv's management reports that there is still some opportunity to sell freight cars in Russia, with several of the company's certifications having been restored following their August suspension.

EAVEX RECOMMENDATIONS

Name	Ticker	Price, per share	Target price, per share	Upside, %	Rating	Commentary
Steel&Pipes						
Azovstal	AZST	0.66	0.56	-15%	SELL	Non-transparent reporting practices detrimentally affect Azovstal's reported earnings.
Iron Ore						
Ferrexpo	FXPO LN	199.0	218.0	10%	BUY	Operations at Ferrexpo's new Yeristovo Mine should allow the company to increase its iron ore pellet output by 10% YoY to 10.6mn tonnes in 2013, with further growth to 12.0mn tonnes in 2015.
Pivnichny GOK	SGOK	8.00	14.5	81%	BUY	Secure demand for Pivnichny GOK's iron ore products and lucrative pricing allow the company to operate with high profitability (EBITDA margin of not lower than 45% since 2009). Disadvantages of the stock are its low liquidity and no dividend in 2013 for the first time since 2005.
Centralny GOK	CGOK	6.60	10.6	61%	BUY	Centralny GOK operates in the highly profitable iron ore industry; its EBITDA margin has remained above 35% since 2009. Disadvantages of the stock are its low liquidity and no dividend in 2013 for the first time since 2005.
Coke						
Avdyivka Coke	AVDK	3.13	6.2	100%	BUY	AVDK's order book is secure thanks to its integration with Metinvest, Ukraine's largest M&M holding.
Yasynivsky Coke	YASK	0.58	3.4	497%	BUY	Yasynivsky Coke benefits from steady demand for its output both in Ukraine & abroad thanks to the high quality of its coke relative to other domestic producers.
Coal						
Pokrovske Mine	SHCHZ	0.45	2.9	554%	BUY	We expect Pokrovske Mine to double its coking coal extraction to 9.5mn tonnes over 2010-15.
Railcar Manufacturing						
Krukiv Wagon	KVBZ	17.2	50.5	194%	BUY	Having achieving its post-1991 production maximum in 2011, Krukiv Wagon's revenue should rise at a 7% CAGR in 2012-2016E, with the EBITDA and net margins for the period near 15% and 11%, respectively.
LuganskTeplovoz	LTPL	1.58	5.2	231%	BUY	LuganskTeplovoz's incorporation into TransMashHolding should help it to exploit its already-dominant position on the Russian market for diesel locomotives.
Specialized Machinery						
Motor Sich	MSICH	1585	5250	231%	BUY	Motor Sich should see its sales grow with a 2012-2016E CAGR of 9%, reaching USD 1.2bn. For 2012-2016, we forecast an average EBITDA margin of 35% and a net margin of 28%.
Turboatom	TATM	5.00	8.9	78%	BUY	We model Turboatom's revenue as increasing at 18% CAGR over 2012-2015. Deliveries of hydro and steam turbines to export markets will remain the company's key revenue drivers.
Oil & Gas						
Concern Galnaftogaz	GLNG	0.15	0.24	60%	BUY	Galnaftogaz is pursuing a plan to aggressively expand its filling station network.
Regal Petroleum	RPT	15.3	42.0	175%	BUY	We assume that Regal will be able to produce 5,200 boepd in 2014, generating USD 116mn in sales.
JKX Oil & Gas	JKX	74.8	370	395%	BUY	The launch of extraction at JKX's Russian gas field has lifted output, but the company's higher-margin Ukrainian operations continue to lag behind expectations.
Power Utilities						
DonbasEnergo	DOEN	24.3	72.0	197%	BUY	DonbasEnergo is expected to pay a significant dividend from its FY13 profit that could amount to as much as UAH 5.0 per share, implying a dividend yield of 20%.
CenterEnergo	CEEN	5.06	15.00	196%	BUY	CentrEnergo's privatization has been postponed, but the company retains a strong fundamental value due to its large installed electricity generation capacity.
Consumer						
MHP	MHPC	15.7	22.10	41%	BUY	MHP is ramping up poultry production at its greenfield Vinnytsia complex, which has annual capacity of 220,000 tonnes. We think MHP will be able to expand its output by 50% over 2012-15 to 600,000 tonnes of poultry, with the lion's share of incremental volume to be exported.
Astarta	AST	64.7	90.0	39%	BUY	Astarta's business leans on three pillars: sugar beet cultivation/processing, grain cultivation, and cattle farming. With sugar prices depressed since 2011, a favorable market for grain should continue to drive the company's profitability.
AvangardCo	AVGR	12.5	19.35	55%	BUY	A doubling of egg processing capacity to 6mn eggs/day in 1H13 with further expansion to 10mn in early 2014 bode well for the group's earnings due to 1) the higher profitability of the egg products (EP) segment vs. shell eggs and 2) the longer storage life of EP, which enables the company to retain its output for sale in periods of more favorable pricing. Still, the reported selling price for the company's shell eggs appears to be unjustifiably high. Even with financial quality concerns priced in, the stock looks cheap vs. its global peers.
Ovostar Union	OVO	100.00	109.50	10%	HOLD	The company is on its way to implementing a two-stage investment program aimed at expanding egg production capacity to 2.1bn pieces by 2017, or 3x more compared to FY12 production of 719mn eggs. Very low liquidity in the OVO stock is a major concern.

Investing in emerging markets' securities may entail certain risks. There may be limited information available on such securities. Securities of emerging markets' companies may be less liquid and their prices more volatile than securities of comparable developed markets' companies. In addition, exchange rate movements may have an adverse effect on the value of an investment.

This document is based on data we deem to be reliable, though we do not guarantee its accuracy or completeness and make no warranties regarding results from its usage. Forecasts are estimates by specialists working for us, and actual events may turn out to be fundamentally different due to unforeseen circumstances. This document is provided for information purposes only.
